**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I work from home and having fast and reliable home internet is critical. Up until recently my choices were overpriced and unreliable but then came gigabit fiber from Sonic and my working and personal life has improved significantly. Please don't take this choice away from people who desperately want it.
